"Texture" is our theme

Foreword

"Texture" was a word originally applied to fabrics only, that is, to things woven. Now it is used to refer to the surface of all materials in two ways: (1) the manner of structure in organization of particles of a body or substance, and (2) to its surface appearance, which expresses to the eye its real structure. In an artistic composition, structure would be the result of the artist's blending of elements, such as parts in music, the brushwork in a picture, the web and weave of a fabric, or the gloss of a painted wall.

Indoor texture is perhaps the most familiar to us, but when we look outdoors we find a vastness of variety, defying description. Here we have the roughness of bark, the cold sharpness of stone, the velvety petals of flowers, and wet softness of snow or the prickly needles of a pine.

Since we wished to use this term as the connecting thread of our book, we discovered the endless elements that make up the textures used in school life. Every department could be symbolized through textures. Even people seemed to find a niche, pupils and teachers alike.

We found softness, roughness, coldness, hardness, smoothness, and other qualities.

We wandered from the silver of flutes, to velvet draperies, metal typewriters to pigskin balls and wooden bats to feathered shuttlecocks.

It has been said that texture today is the factor which creates the design of modern living and the "decorative" in all our patterns whether these patterns are for streamlined cars or football helmets.

So as you thumb through these pages we hope that the textures of the symbols we have used may not only give you the feeling of the sections which follow, but also arouse in you an awareness of all textures which surround you and of their importance in our lives.

Hi Cutie - Well here's hoping you have a rare time this summer - Be good - Judie Hueston "52"

D.B. Griffen

The very best of everything to you. Work hard this summer and we will see you next year at school.

To Daisy B. Griffen, our beloved Art Instructor, we dedicate this Annual. Her kindness, understanding, sincerity, and gentleness are among those qualities of texture which have endeared Mrs. Griffen to the many students who have worked under her guidance over the years at Mount Baker High School.

Several changes have been made in some administrative positions this past year and due to late date of vacancies filled, pictures were not available.

Mr. Blickenstaff retired after serving six years and Mr. Kermit Sande was elected to fill this position. Mr. Gay resigned in November and Mr. Richner was appointed in his place and later elected by the district.

Mr. Sande resides in the Lawrence community and Mr. Richner in the Welcome area. We wish these gentlemen good luck and hope to have their pictures in next year's "Mountaineer."

Whatever life may bring you,
"God" will ring true to you:
Star in your sky—
Food in your store—
Staff in your hand—
Friend by your side—
Light on your path—
Joy in your heart—
In your ears music—
In your mouth songs.
Yes, rapid as your race may run,
And scorching as may shine your sun,
And bitter as may blow your blast,
And lonely as your lot be cast—
Whatever life may bring to you,
"God" will aye ring true to you.

Junior Orators and State Farmers

Kim Maleng and Jim Morgan have participated in several special programs during the past two years, for F.F.A. and general school contests, in county and state.

Kim's project is dairying and his herd consists of 12 Guernseys. This year he was county and district public speaking winner, and placed 3rd in Western Washington. He has been on parliamentary procedure team for 3 years.

Jim was 2nd place winner in county speaking contest and 3rd in district. . He has been a member of parliamentary procedure team 2 years. Jim's farming consists of poultry and dairying.

Honor Society

New members for the Honor Society were selected this year on the basis of their Scholarship, Character, Leadership, and Service. It is the aim of the Society to develop these qualities. Anyone having a 3.1 grade average is eligible for membership in Honor Society, but they are also judged by the teachers on the basis listed above. There is a possible 52 points for the last three items mentioned. Members of the Honor Society voted that anyone having over 4.1 points might become members.

Torch Pins are to be given to the senior members as a gift from the Honor Society. National Honor Pins may be purchased by other members if they desire.

A Scholastic Aptitude test was given by the National Honor Society and was taken by John Hayes, Pat Gunter, Carlene Myers, and Bruce Prendergast. Scholarships were offered to the highest scorers in the nation.

ANNUAL

Mrs. D. B. Griffen was the general adviser and Mr. Winsor, financial adviser. Again we had our faithful photographers, Mr. Clift and Mr. Martin from Jukes Studio —and Mr. Vance Bronson, faculty photographer. Western engraving and Colortype, Seattle, did the engraving and Cox Brothers, Bellingham, printed the "Mountaineer."

This year we are very grateful to our outstanding "Business Manager," Peggy St. James Sobjack, who worked many hours on her own time and alone collected approximately $400.00.

Lois Gay, Don Brown, and Pat Griffen, who are not staff members, gave much of their time in assisting with typing, dummy work and organizations at printers.

BEACON

Ron Minge filled the editor's spot on the MOUNT BAKER BEACON, assisted the first semester by Claudette St. James. Eugene Ray served as senior high sports editor, while Chuck Griffith covered junior high sports. Stanley Etheridge was exchange editor.

Doug Henry, as business manager, obtained advertising by business people in the community and in Bellingham. Deanna Barter was Doug's assistant. In addition to students above enrolled in journalism were Jacque Rountree and Karen Warner, reporters.

Reporting for organizations were Kim Maleng, FFA; and Carol Brown, FHA. Regular features were Ron's "Morton Mole's Memoirs" column and a "Do You Know" contest. Tamara Townley, Dorothy Giarde and Judy Smith were staff typists.

At the beginning of the school year, a plea was sent out to all high school students to join the newly organized All High Chorus. A hundred eager voices were tried and accepted. Monday night rehearsals were held and after mank rehearsals, the All High Chorus was ready to sing for Hi Jinx. Other productions in which group participated were: Christmas programs for the A.S.B. and Community, and the high-light of the year, the minstrel show.

Seventy-three girls made up the 1954-1955 F.H.A. organization. All were from the senior high as the club was too large to allow any freshman girls to enter.

Among the many activities carried on by the club this year were: sponsoring an all-school dance, selling Christmas corsages, and concessions at games.

Nancy Ziegler was sent to Everett and Seattle where she took part in a Cherry Pie Baking Contest. She placed second in the District and eighth in the State.

Nine girls, with two mothers, and adviser attended demonstration day in Sedro-Woolley.

Belva Kelley, president of the F.H.A., was honored with the "Betty Crocker Home Maker of Tomorrow" award. This award is given to one girl in each school and an opportunity for a state scholarship follows later.

In the spring a formal installation was held for the new officers. Mothers and friends attended and were served refreshments.

Roger Kvamme was elected chapter "Hero." He was chosen because of his interest in school activities and for his citizenship, also because he was an active member in the F.F.A. Mrs. Lewis Chase and Mrs. Lloyd Barter were elected chapter mothers for the year, and Mrs. W. H. Kelley, Mrs. G. J. Townley and Mrs. G. R. Ziegler were elected honorary members.

With Bob Tisdale as coach and 46 eager-football players the Mount Baker Mountaineers took the championship for their second consecutive year.

Roy Salisbury and Denny Scutvick were elected by the team members as co-captains for the Mountaineers football team.

We started off the year by over-powering Mount Vernon 13-7, and in the Jamboree, which was held under our own lights, we downed the Ferndale Golden Eagles.

But the next game with Anacortes didn't come out so well, we suffered a heavy defeat of 26-9.

Our league games opened October 1, 1954, on our home field by trouncing the Meridian Trojans 38-6. The following game was in much the same order when we flattened Concrete, October 8, 25-0 on our own field again.

On October 15, Lynden was defeated on their field with the final score of 39-6.

We beat the Blaine Borderites on October 22 by a

score of 13-12. It was a tightly played defensive game.

The next game with Nooksack, which was played on their field in the day-light, was not much of a strain at all. We clobbered them with a score of 27-6.

Finally the last game of the season was played and won by the Mountaineers, November 5. In this game we played the Ferndale Golden Eagles for the second time of the season and won by a score of 45-0, which gave us the title for 1954.

In school there are many ways to use our talents for others. Service may be rendered in a way to give pleasure and entertainment to students and patrons. Long hours of rehearsals for productions, hours spent by students painting posters for all events, building and painting stage sets, are jobs done by talented and willing people. Then, too, there is a group of "unknowns" who are busy teacher assistants.

This page is to honor these people and to all others who help in some way, but whose pictures were not available.

Dear Sue,
It sure has been
fun knowing you. And
don't do anything this
summer that I wouldn't
do.

Dear Sue
I shouldn't write
in your annuals
because you said you would
give me a hair cut and
you didn't. Have fun this
summer
Bart

Have fun this
summer and take
it easy with all
the boys. We've
had fun this year
and I'll see you
next year.
